Submitting Company Compliance Documents on RAMP

February 2024

Please note: These instructions are NOT applicable to Bidders/Proposers responding to contracting opportunities advertised by the Los Angeles World Airports, the Port of Los Angeles, and the Department of Water & Power.

All companies registering on RAMP may complete compliance documents in advance, or at the time of responding to a contracting opportunity. All forms are to be completed and submitted on RAMP "Company Compliance Documents" section. Each form is only valid for a specified amount of time. Please refer to instructions online for more details.

The submitted forms will be verified by the Bureau of Contract Administration (BCA) only if your company is the successful Proposer/Bidder selected for contract award. Upon BCA verification, the Awarding Authority may proceed with the contracting process. If in the process of verifying the submitted forms, BCA finds that the form(s) are incomplete, the awarding department shall be notified and your company will be required to re-submit or edit the form(s). The re-submitting or editing of form(s) will not trigger a new renewal date. The renewal date shall remain as the first time the form(s) were submitted.

As of 07/01/2016, the Affirmative Action (AA) and Non-discrimination/Equal Employment Practices Provisions (ND-EEP) Compliance affidavits will no longer be required, as compliance with these provisions will be included in the contract language. For more information on the AA/ND-EEP provisions, please visit BCA:
